Current NADAC Rules: available at [www.nadac.com](http://www.nadac.com)

There are two categories, Proficient and Skilled. A dog may only be entered in ONE category per weekend.

**Skilled dogs must jump 4" lower than their  
Standard Proficient jump height**

Divisions (offered in each category)

- Standard
- Veterans for dog or handler
- Jr. Handler
- Veteran/Disabled handler

Classes

The following are offered in each category and for each level and division:

- Regular Jumpers
- Chances (see NADAC handbook – at [www.nadac.com](http://www.nadac.com))
- 

The following non-jumping classes are offered in each category for each level and the standard and veteran/disabled handler divisions:

- TouchNGo Weavers Tunnelers Hoopers

NON-JUMPING CLASSES – VETERAN OR DISABLED HANDLER

Handlers who are 60 years or older, or who have a disability that restricts mobility, may choose to enter the non-jumping classes as a Veteran Handler and receive 10% more standard course time. This option is for Veteran/Disabled handlers in the non-jumping classes only. The Veteran/Disabled Handler division is designed for handlers who, due to age or impairment, are mobility limited and need extra time to guide their canine partners through an agility course. When entering as a Veteran/Disabled Handler, you must enter all dogs in all classes for the entire trial in this Division and must jump 4” lower than your Proficient, Standard Division jump height requires. In the non-jumping classes, dogs will be scored and placed with their Standard Division jump height.

**IMPORTANT** Please check your dog's NADAC registration number on your trial confirmation as soon as you receive it; also, please check the copy of the results posted at the trial. You should report any errors to the Trial Secretary immediately.

NADAC records trial results as they are submitted by the host clubs/groups. The individual trial results submitted by the club are uploaded to the files section of the NADAC Forum at (<http://www.nadacforum.com>) list within two weeks after the NADAC office receives them from the club. The trial results will remain on the list for at least thirty (30) days. Please accept the responsibility to review those results, and check that your registration number and qualifying points, as reported by the club, are correct. You can join the NADAC Forum by going to (<http://www.nadacforum.com>). You will be able to view trial results and check for any possible discrepancies, without receiving list email. If you find an error in the reporting of your dog's qualifying points or registration number, please contact the host club. The host club is responsible for correcting any errors and informing NADAC.

**Levels** Points earned at a higher level of a class, prior to the completion of the lower level title, will not be recorded by NADAC for future use. If a dog earns points in a level of a class that they are not eligible to title in, those points will not be added to the dog's records.
