THE MANAGEMENT will not be responsible for the loss or damage to any dog exhibited, or for the possessions of any exhibitor whether the result was by accident or any other cause. It is distinctly understood that every dog at this event is in the care and custody and control of his owner or handler during the entire time the dog is on the show premises. Any exhibitor whose dogs and/or children create unnecessary disturbances or repeatedly engage in unsafe or disruptive behavior may, at the discretion of the Show Committee be asked to leave the show site. In such case, no refund of fees paid will be made.

Non-Jumping classes – Veteran Handler:

Disabled handlers or handlers aged 60 yrs. or older may opt to enter the non-jumping classes as a Veteran Handler and receive additional standard course time. This division is for handlers only. The additional SCT is for qualifying purposes only for those who may need the additional time to negotiate the course due to physical limitations. Veteran Handlers in the non-jumping classes will be scored and placed with their standard division jump height. When entering as a Veteran/Disabled Handler, you must enter all classes and all dogs in this division for the weekend.

Dogs must enter the Veterans Dog Division in all jumping classes after their 9th birthday. After their 12th birthday, dogs must enter the Skilled Category, Veterans Division for jumping classes and Skilled Category for non-jumping classes.

This is a Containerized Trial

FOOD/TOYS IN POCKET: Food or a small noiseless toy may be carried into the ring in your pocket provided it is contained in a Ziploc bag or small container such as a pill bottle. The container cannot be visible in the ring nor within 10 feet of the ring. You cannot indicate to your dog that you have this item on you i.e. patting your pocket. You are not allowed to remove the container until you are at least 10 feet outside the ring. All food and toys must be contained at the trial and none can be left lying about loose. This policy has been implemented to reduce the possibility of dogs fighting over loose food or toys, diminish dogs dragging their handlers back to their crates (or wherever they left their food), and to lessen the amount of insects that are around loose food.

IMPORTANT. Please check your dog's NADAC registration number on your trial confirmation as soon as you receive it; also, please check the copy of the results posted at the trial. You should report any errors to the Trial Secretary immediately. NADAC records trial results as they are submitted by the host clubs/groups. The individual trial results submitted by the club are uploaded to the www.NADACForum.com within two weeks after the NADAC office receives them from the club. Please accept the responsibility to review those results, and check that your registration number and qualifying points, as reported by the club, are correct. You can join the Forum by going to www.NADACForum.com and submitting your request. Your dog's points can be found in the Members Section. If you find an error in the reporting of your dog's qualifying points or registration number, please contact the host club. The host club is responsible for correcting any errors and informing NADAC.

Levels: Dogs may not move up to a higher before they have completed a basic title at the previous level. A dog which has not competed in NADAC previously **MUST** enter at the Intro or Novice level.

Points earned in NADAC :

In NADAC competitions, all points earned at the same level (Intro, Novice, Open or Elite) combine for titles and awards, regardless of category (Skilled or Proficient) or division (Junior Handler, Veteran Handler, Vet Dog, Standard).

***Intro Level** courses are shorter in length than Novice courses. Jump heights can be chosen by the handler without regard to the dog's height, with 16" being the maximum jump height allowed. There are no contact/tunnel discriminations and the only class with weaves is Intro Weavers with one set of six.

Daily Fees : \$10.00 per run

Junior Handlers = \$10.00 per dog/per day

DAY OF SHOW ENTRIES: We will accept day of show entries provided the trial has not filled. The day of show entry fee is \$12.00 a run.

Please bring a completed/signed entry form with you to the trial.

Welcome to Ironwood Event and Boarding

Trials are held indoors on groomed dirt, in a climate-controlled environment. Crating is inside, so no Easy-Ups are necessary – just a mat, your X-pen or crate, and a chair. Dogs are restricted in some parts of the building (restrooms, showers, lunch room, etc.).

The facility has RV parking with hookups (electricity only or both electricity and water) for a nominal fee. RV parking needs to be arranged directly with Ironwood (see premium). Also included are the use of indoor restrooms, showers, and a fully functional lunch room with tables and chairs. Lunches can be pre-ordered from the facility (also see premium), and their staff will have them prepared and ready for purchase, or you can bring your own.

The facility is approximately 18 miles north of I-80 on Pyramid Way. It's an easy 20 minute drive out the Pyramid Highway. You'll know you've arrived when you drive past the BLM wild horse holding pens. **DO NOT TURN ON IRONWOOD ROAD.** Go past Ironwood Rd approximately ½ mile and turn right on Whiskey Springs Road. You really can't miss the facility. As you can see from the picture, it is quite large, and easily seen from the highway.
