Categories

- Each class contains two categories, Proficient and Skilled. A dog may only be entered in ONE category per weekend. In the Skilled Category, dogs **must** jump 4" lower than indicated by the current jump height table. (No dog may jump less than 4").
- **As of January-2014:** Dogs must enter the Veterans Division in all jumping classes after their 9th birthday. After their 12th birthday, dogs must enter the Skilled Category, Veterans Division for jumping classes and Skilled Category for non-jumping classes
- In the Regular Agility Class, dogs may incur 5 or fewer faults, and earn a 5 point qualifying round. A qualifying round must be clean and will earn 10 points. (Please refer to www.nadacforum.com for the latest information and explanation of the Skilled and Proficient categories).
- Non-Jumping Classes—Veteran or Disabled Handler: Handlers who are 60 years or older, or who have a disability that restricts mobility, may choose to enter the non-jumping classes as a Veteran Handler and receive 10% more standard course time. This option is for Veteran/Disabled handlers in the non-jumping classes only.
- The Veteran/Disabled Handler division is designed for handlers who, due to age or impairment, are mobility limited and need extra time to guide their canine partners through an agility course.
- When entering as a Veteran/Disabled Handler, you must enter all dogs in all classes for the entire trial in this Division and **must** jump 4" lower than your Proficient, Standard Division jump height requires. In the non-jumping classes, dogs will be scored and placed with their Standard Division jump height.

IMPORTANT. Please check your dog's NADAC registration number on your trial confirmation as soon as you receive it; also, please check the copy of the results posted at the trial. You should report any errors to the Trial Secretary immediately.

NADAC records trial results as they are submitted by the host clubs/groups. Your points are updated and can be found on the www.NADACforum.com website within two weeks after the NADAC office receives them from the club. Please accept the responsibility to review those results. If you find an error in the reporting of your dog's qualifying points, please contact the host club. The host club is responsible for correcting any errors and informing NADAC.

Levels. Points earned at a higher level of a class, prior to the completion of the lower level title, will not be banked by NADAC for future use. If a dog earns points in a level of a class that they are not eligible to title in, those points will not be added to the dog's records.
